

Town of Pacolet – Public Works Crew Worker

Position Purpose:

The purpose of this position is to assist the Refuse Truck Driver in the removal and disposal of residential refuse and yard debris.

Supervision:

This position will primarily receive direction from the Refuse Truck Driver.

Essential Duties:

- Assist the Refuse Truck Driver in the daily service of removing household refuse and yard debris from residential residents.
- Utilizes shovel, rake, pitchfork, etc., in cleaning trucks and areas of trash
- Responsible for regular cleaning of vehicles to maintain professional and clean presentation.

(The essential functions or duties listed above are intended as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.)

Job Environment:

Work is performed during the day usually from early morning to midafternoon. Personal safety equipment and apparel will be provided and must be used.

Recommended Minimum Qualifications:

- High school education or GED.
- CDL Class B (preferred)

Knowledge, Ability and Skill:

General knowledge of the principles and practices of operating medium to heavy equipment; general knowledge of the traffic laws; general knowledge of the occupational hazards involved and the safety precautions necessary for the proper operation of equipment; care in the operation of the equipment; ability to understand and follow oral and written directions.

Physical Requirements:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. May spend much of time in refuse collection vehicles or loading and unloading refuse throughout the day. All activities will be performed outside in the elements; however, personal protection equipment and safety apparel will be provided. Must be physically able to perform manual labor and lift and/ or carry weights of approximately one hundred pounds. May be required to travel on local streets at low speeds on the back of a refuse truck to increase efficiency in solid waste removal. Communicates verbally and in writing.
